447 Washington Ave
Bridgeville PA 15017

Dear Mr. DeBlasio,

I am pleased to make a contribution of \$5,000 from the McNulty Foundation to the Global Peace and Development Trust for the benefit of Syria Direct as part of the McNulty Prize Catalyst Fund. This contribution is made on behalf of Johnny McNulty, a Director at our Foundation, who noted that Syria Direct is working on the most challenging issue of our time, bringing objective reporting to one of the most dangerous places in the world for journalists.

We look forward to hearing more about Syria Direct and its progress in cultivating the next generation of aspiring journalists.

Sincerely,

Anne Welsh McNulty
